## ***University of Santo Tomas Nurses Association International 25<sup>th</sup> Annual Convention and Leadership Summit***

**Dear USTNAI Members, UST Nursing Alumni, and Guests,**

**We are pleased to invite you to join us in October 8 thru 10, 2021 as we celebrate the *25<sup>th</sup> Annual Convention and Leadership Summit of the University of Santo Tomas Nurses Association International* at the Orleans Hotel, Las Vegas, Nevada, USA. Our theme “*Celebrating the Past, the Present, and Moving towards the Future*” recognizes the history of our alma mater, the UST College of Nursing on its 75<sup>th</sup> anniversary and honoring the richness of our past while embracing the current challenges and remaining optimistic about the bright future ahead of us.**

**Our annual conference not only offers excellent opportunities for re-connecting with colleagues and friends after last year’s prolonged “stillpoints” brought about by the pandemic but more importantly, an avenue for exploring the world of diversity, resilience and spirituality as we navigate successfully amidst adversities, complexities, volatilities and uncertainties. You will also be able to meet the current Executive Board and network with fellow UST nurse colleagues and friends.**

**On behalf of The USTNAI Executive Board Members and the UST Nurses Association of Nevada, we are delighted to host this event for you. Las Vegas is an incredible tourist destination for entertainment and culinary adventures. Come and find out for yourself why Las Vegas is a fun city to visit. We certainly hope that you and your guests will join us and together celebrate life, joy and thanksgiving post-pandemic.**

**Early registrations are encouraged and timely registration will help in organizing our celebrations, securing your spot, and avoiding the last-minute rush. Visit our USTNAI website (<http://www.ustnai.org/>) for more event information. Please complete and mail the registration form *or* online registration link available on our website by the deadline specified.**

**Let us continue and keep our Thomasian spirit alive. *See you in Las Vegas, Nevada, U.S.A.!***

***Kind Regards,*  
USTNAI Executive Board**
